

Court of Ages

Implementing the 13-Moon, 28 Day Calendar

Universal Martial Law - Public Order # 45

PREFACE: Calendars or time cycles, are organizing principles which establish collective perceptions by which society function. Functional calendars align with the natural, regenerative cycles of life, fostering order and harmony.

PURPOSE: The purpose of this order is to implement a calendar that returns Earth to its natural state as a biosphere rather a technosphere; where people rather than institutions regulate societies

TO ALL UNIVERSAL PROTECTORS, Universal Royal Armies and Multinational Military as well as local protectors and Natural Law Sheriffs.

FROM THE QUEEN OF QUEENS, daughter of earth, commander of the universal royal armies, author and creator of all things, first source of life essence.

WHEREAS time is perceived through the mind, not space, and corresponds life's natural cycles and

WHEREAS the Gregorian calendar corresponds to no natural cycles whatsoever and misrepresents the nature of time by applying it to the matrix of space,

BE IT KNOWN that the standard of time is now changed from irregular to regular, from mechanistic to natural, from chaotic to harmonious. Communities aligning with the Court of Ages "Law of the Land", now organize themselves by 13 Moons, 28-day calendar.

Order issued twenty-fifth day of December 2017 (Gregorian)
